

## **Please Pray And Fast During "40 Days For Life" With Americans Throughout Our Nation**

### **Day 21 - October 14, 2008**

*He will reply, "I tell you the truth, whatever you did not do for one of the least of these, you did not do for me." Matthew 25:45*

Heavenly Father, certainly the embryo in its first few weeks of life is the least of our brothers. Within this little human being is Your design for his or her unique life. The formula for his or her body, bone structure, talents, even fingerprints, and ALL human chromosomes are present in their DNA from the moment of fertilization! Have mercy on all those who work for embryonic research.

Dear Jesus, the Nuremberg trials sickened all Americans. It isn't hard to be against burning, freezing, poisoning, or experimenting on human beings that are adults and worse yet children. But how come not intolerable when the human being is in the most helpless second stage of development, an embryo? Maybe because we can't picture it. I pray for all those whose understanding is limited by not being able to see the young embryo as a human life. I pray for all those who support embryonic stem cell research and its funding.

Come Holy Spirit. Enlighten all those who do not believe that the human being in its earliest stages is to be valued as being human. Teach all Americans that to be pro-life is not to be against medical research or the advancement of medical treatment but to be against using human beings as property to be experimented on at the expense of their life. Inspire them to support adult stem cell research, which has been proven successful in 73 treatment areas, is not as costly, and most importantly does not kill a human being.

### **Day 22 - October 15, 2008**

*Woe to you, teachers of the law and Pharisees, you hypocrites! You give a tenth of your spices—mint, dill and cummin. But you have neglected the more important matters of the law—justice, mercy and faithfulness. You should have practiced the latter, without neglecting the former. Matthew 23:23*

Heavenly Father, thank You for all the resources we have to find out who the hypocrites are. Help us identify the likes of the Susan G. Komen Breast Cancer Foundation, which lists abortion first under "factors not related to breast cancer," when in fact there are over 30 scientific studies that show a direct link, reporting up to 100% increased risk of breast cancer for women who have had an abortion.

Dear Jesus, I pray for the Komen Breast Cancer Foundation, American Cancer Society, March of Dimes, and all the other charitable organizations and companies that financially support Planned Parenthood; that they will realize what they are doing and stop.

Come Holy Spirit Enlighten the corporations, organizations, who financially support Planned Parenthood and lawmakers, who budget money for them. Make them realize that their grants, even for non-abortion purposes, do fund Planned Parenthood's multi-million dollar abortion business by enabling Planned Parenthood to channel their money into their biggest moneymaker - abortion.

### **Day 23 - October 16, 2008**

*Learn to do right! Seek justice. 1 Isaiah 17*

Heavenly Father, thank You for this opportunity to join my prayers and fasting with thousands of other Americans. You have blessed us with appreciation for the sanctity of human life. Reward our efforts as we seek justice for the most helpless, the unborn, from being days old as an embryo at risk of being experimented on to being 20 weeks or older as over 300 are scheduled to die today.

Dear Jesus, I pray that we will each in our own way do what we can to end abortion, euthanasia, and all research that devalues human life. You have given us each some talent or gift to use in this cause. Let our prayers and fasting be a diving board into the many ways we can help the pro-life cause through our time, talent, and treasure.

Come Holy Spirit. Teach us to know what we can do to overcome the Culture of Death that has fallen upon our land. Grant us the courage to make the sacrifices necessary to seek justice for the unborn and the terminally ill.

### **Day 24 - October 17, 2008**

*Then the word of the Lord came to me, saying: "Before I formed you in the womb I knew you." Jeremiah 1:4-5  
In Him we live and move and have our being. Acts 17:28.*

Heavenly Father, You knew Jeremiah before You formed him in the womb and so You knew each of us and know each of the unborn children in the womb this day. Have mercy on all those who justify abortion and embryonic stem cell research based on their decision that the unborn human being is not a person.

Dear Jesus, I pray for those who do not realize that the term human being comes from being human, being a person. I pray that *Roe v Wade*, based on the Supreme Court judgment that the unborn is not a person, will soon be overturned.

Come Holy Spirit upon those who believe that the unborn is not a person. Teach them that we have being because God knows us.
